HERALDIC ART

Created in 1959 to fill a void caused by the lack of new commemoratives issued by the U.S. Mint, an enterprising Cleveland numismatist, Robert Mac-Namera, developed a series of silver medals similar to our commemorative half dollars. His Heraldic Art issued nearly 60 medals. All medals are sterling silver (.925 fine) in 31mm. They are serially numbered on the envelope (not the medal) as edges are serrated like a coin.

Note: Lot 180 is an opportunity to obtain the entire collection if it is greater than the sum of all bids 123 through 179. Bid liberally.
